5 COST BASIS SELECTION Please note: This section does not apply if you are classified as a C-Corporation.

Please review the list of available options and select your preferred reporting method.

In general, you may change your cost basis method at any time. Please note, however, that if the Average Cost method is being used, you will only be permitted to revoke this method retroactively up to the point in time when the first covered shares subject to Average Cost are redeemed. Under the IRS regulations, any revocation of Average Cost after that time may only be applied prospectively for covered shares acquired in the future.

For IRS reporting purposes, whatever method is used will only be applied to covered shares in your account. For any uncovered shares in your account, the Fund will continue to provide adjusted cost basis information to you on a voluntary basis using the Average Cost method, but this information will not be reported to the IRS.

Please select one box below. If you do not select an option, the Funds default method of Average Cost will be selected as your cost basis reporting method.

- Average Cost —This method takes the average cost of your shares.
- First In First Out ("FIFO") —This method enables you to sell oldest shares first.
- Last In First Out ("LIFO") —This method enables you to sell newest shares first.
- Highest In First Out ("HIFO") —This method enables you to sell shares purchased at the highest cost first.
- Lowest In First Out ("LOFO") —This method enables you to sell shares purchased at the lowest cost first.
- Specific Lot Depletion Method ("SLDM") —This method enables you to specify exactly which shares you are selling at the time of sale.*

* If the option selected above is Specific Lot Depletion Method (SLDM), you must also choose a secondary reporting method. The secondary reporting method will only be used in the event you request a redemption in writing and you do not indicate the acquisition date and the specific shares to be redeemed or have insufficient shares in the lot specified. Please note that Average Cost cannot be chosen as a secondary reporting method for "SLDM". If you do not choose a

secondary reporting method, your redemption will be processed using the First In First Out (FIFO) reporting method.

Please choose your secondary reporting method: _____

3 REPRESENTATIONS OF ACCOUNT OWNER AND THOSE ACTING ON BEHALF OF ACCOUNT OWNER

Account Owner is at least 18 years old and of sound mind. Account Owner will notify Legg Mason immediately if Account Owner is or becomes (i) a member of an exchange, (ii) employed by an exchange, a registered broker/dealer, a bank, a trust company, or an insurance company or (iii) a FINRA member firm. Account Owner accepts full responsibility for any transactions Account Owner orders for his or her account.

The United States Department of the Treasury Financial Crime Enforcement Network (FinCEN) states that "The Customer Due Diligence (CDD) Rule outlines explicit customer due diligence requirements and imposes a new requirement for financial institutions to identify and verify the identity of beneficial owners of legal entity customers, subject to certain exclusions and exemptions. Within this construct, as stated in the preamble to the Rule, FinCEN intends that the legal entity customer identify its ultimate beneficial owner or owners and NOT "nominees" or "strawmen."

4 SCOPE OF, AND CHANGES TO, THIS IMPORTANT ACCOUNT INFORMATION

The agreement will not be affected by Account Owner's incompetence, disability, incapacity, or death and is binding on Account Owner, Account Owner's estate, and those with the authority to act on Account Owner's behalf. It is also binding on any organization that may succeed Legg Mason's interest in Account Owner's account. Legg Mason may unilaterally amend this Agreement or close Account Owner's account at any time.

5 TYPE OF OWNERSHIP

If there is more than one Account Owner, the following types of account ownership are permitted:

Tenants in Common — If an Account Owner dies, the interests in the account as of the close of business on the date of death will be divided as specified by the client. If the death does not occur on a business day, the following business day will be used.

Joint Tenants with Rights of Survivorship — If an Account Owner dies, all interests in the account will pass to the survivor(s). The survivor's and the deceased's estates will be responsible for any liabilities in the account.

Tenants by the Entirety — This type of ownership is only permitted in certain jurisdictions and only if the Account Owners are husband and wife. If an Account Owner dies, all interests in the account will pass to the survivor, and the survivor will be responsible for any liabilities in the account.

If the account is jointly owned, then (i) each Account Owner agrees to be jointly and severally liable for all obligations under this application; (ii) each Account Owner shall have the authority to buy, sell and otherwise deal in money and fund shares on behalf of the account; and (iii) each Account Owner shall have the authority to request and receive money and fund shares from the account. Legg Mason may follow the instructions of any single Account Owner and is under no obligation to inquire into the purpose or propriety of any instructions.

6 RESPONSIBILITY FOR REVIEWING DOCUMENTS PROMPTLY

Account Owner agrees to review promptly upon receipt all confirmations, statements, and reports that Legg Mason sends to the Account Owner. Account Owner will immediately notify Shareholder Services (i) of any material change in the Account Owner's investment objectives, (ii) of any discrepancy or unauthorized activity, or (iii) if the Account Owner has not received fund shares delivered or checks disbursed as reported to Account Owner on account statements. Legg Mason may consider all confirmations, statements, and reports to have been fully accepted by Account Owner as correct and conclusive unless Account Owner notifies Shareholder Services of any discrepancies within 10 days of receipt. Account Owner understands that due to the volatile nature

of the financial markets, Account Owner is solely responsible for any loss that results from any failure to notify a Shareholder Services Representative of any discrepancy or unauthorized activity within the time periods stated in this paragraph.

Account Owner will receive a quarterly statement summarizing the transactions that occurred during the quarter. If Account Owner participates in a Future First® Systematic Investment Plan, Account Owner will not receive a confirmation for each transaction.

7 COMMUNICATIONS WITH LEGG MASON

Legg Mason will send all communications to Account Owner at the mailing address or email address supplied by the Account Owner. Account Owner will notify Legg Mason in writing if there is any change to that address. Account Owner will send all communications to Legg Mason at the following address: Legg Mason Funds, P.O. Box 9969, Providence, RI 02940-9699.

8 IMPORTANT NOTE REGARDING PURCHASE, EXCHANGE AND REDEMPTION ORDERS

Account Owner understands that purchase, redemption or exchange orders received by Legg Mason before the close of regular trading on the New York Stock Exchange, normally 4:00 pm (EST), will be processed at the fund's net asset value as of the close of the exchange on that day. Orders received after the close of the exchange will be processed at the fund's net asset value as of the close of the exchange on the next day the exchange is open.

The ability to enter TransACT purchase orders should become available one week after Legg Mason's receipt of this application. Telephone redemption orders should become available after the investment check used to fund the account has cleared. A voided, imprinted check or bank deposit slip from your bank account must be provided in order to establish telephone purchase and/or redemption orders. Telephone redemption is available for non-fiduciary accounts only.

By electing to receive redemption proceeds electronically, Account Owner authorizes BNY Mellon Investment Servicing Trust Company to initiate credits and debits to the account at the financial institution indicated. Account Owner further authorizes the bank to accept any such credit or debit entries initiated and to credit or debit the account, without responsibility for the correctness thereof or for the existence of any further authorization relating thereto, through the ACH (Automated Clearing House) system, subject to the rules of the financial institution, ACH, Legg Mason and BNY Mellon Investment Servicing Trust Company. If necessary, Account Owner authorizes BNY Mellon Investment Servicing Trust Company to initiate adjustments for any debit or credit entries made to the account in error and further authorizes the bank to accept said adjustments to the account. This authorization is in full force and effect until Account Owner notifies Legg Mason of its revocation in writing. Any such notification shall be effective only with respect to entries initiated after receipt of such notification and only after Legg Mason has had sufficient time to act on such notification.

9 PERMISSIBLE INVESTMENTS

Any amounts held in the account may only be invested in Legg Mason Funds. Any contributions and transfers, as well as interest, dividends and other income, shall be invested and reinvested in shares of Legg Mason Funds as directed by the Account Owner (or any applicable successor) in accordance with the policies and procedures of Legg Mason and the current fund prospectus.

10 IMPORTANT NOTE REGARDING FUTURE FIRST® SYSTEMATIC INVESTMENT PLANS

Account Owner understands that Future First® is a systematic plan through which Account Owner may purchase shares at the applicable public offering price. The commissions or charges payable in connection with the purchase of fund shares are set forth in each fund's prospectus. Account Owner understands that this service becomes available approximately one week after this form is processed. If Account Owner makes any changes in bank information, Account Owner understands that transactions may not begin until one week after the new bank information is received by Legg Mason. Account Owner understands that Future First® purchases will be affected by BNY Mellon Investment Servicing Trust Company initiating debit entries to Account Owner's bank account indicated above. Account Owner authorizes Account Owner's bank to accept any debit entries initiated by BNY Mellon Investment Servicing Trust Company to such account and to debit and credit the same account without responsibility for the correctness thereof or for the existence of any further authorization relating thereto.

Account Owner understands that this arrangement may be terminated or changed (e.g., the amount or date of purchase) at any time by verbal or written notification to Shareholder Services at 1-800-822-5544, that such notification shall be effective only with respect to entries initiated by Legg Mason after receipt of such notification, and that a requested change or termination will commence as soon as practical after receipt of this form. **If Account Owner has selected the Future First® plan, it will remain active so long as the fund account has a positive balance. If the Legg Mason account receiving the investment reaches a zero balance, the plan will cease. If Account Owner chooses to continue the plan, Account Owner will call Shareholder Services at 1-800-822-5544.**

11 IMPORTANT NOTE REGARDING ACCOUNT SERVICE OPTIONS

Account service options will remain active so long as the fund account has a positive balance. If Account Owner would like to make changes or cancel any service, the Account Owner will call or notify Shareholder Services in writing.

12 ACCUMULATION PRIVILEGE (CLASS A SHARES ONLY)

The Legg Mason Funds Accumulation Privilege lets investors combine the current value of Class A shares of a Legg Mason Fund with all other shares of Legg Mason Funds that are owned by:

- the investor; or
- the investor's spouse and children under the age of 21; with the dollar amount of the investor's next purchase of Class A shares for purposes of calculating the investor's initial sales charge. In order to take advantage of reductions in sales charges that may be available to you when you purchase fund shares, you must inform the fund if there are other accounts in which there are holdings eligible to be aggregated with your purchase. To do so, you must complete the appropriate section of the account application and sign in the signature/certification section.

IMPORTANT: EACH PURCHASE OF SHARES MADE PURSUANT TO THIS ACCUMULATION PRIVILEGE IS SUBJECT TO THE TERMS AND CONDITIONS CONTAINED IN THE PROSPECTUS OF THE RELEVANT FUND IN EFFECT AT THE TIME OF THE SPECIFIC PURCHASE.

13 LETTER OF INTENT PRIVILEGE (CLASS A SHARES ONLY)

a. General. A Letter of Intent ("Letter") helps you take advantage of breakpoints in Class A sales charges. You may purchase Class A shares of Legg Mason Funds over a 13-month period and pay the same sales charge, if any, as if all shares had been purchased at once. You select your Asset Level Goal by checking the appropriate box on the Application.

Each time you make a purchase under this Letter, you will be entitled to the sales charge that is applicable to the amount of your Asset Level Goal. For example, if your Asset Level Goal is \$100,000, any Class A investments you make under this Letter would be subject to the sales charge of the specific fund you are investing in for purchases of \$100,000. Sales charges and breakpoints vary among the Legg Mason Funds.

By completing the appropriate portion of the Application and signing in the signature/certification section, you agree to all of the terms and conditions set forth in this Letter and the applicable fund(s) prospectus and Statement of Additional Information. You agree that in order to qualify for a reduced sales charge you intend, but are under no obligation, to purchase in Eligible Accounts over a 13 month period Eligible Fund Purchases in an amount equal to your Asset Level Goal, less any Eligible Prior Purchases. For this purpose, shares are valued at the public offering price (including any sales charge paid) calculated as of the date of purchase, plus any appreciation in the value of the shares as of the date of calculation, except for Eligible Prior Purchases, which are valued at current value as of the date of calculation. Your commitment will be met if at any time during the 13-month period the value, as so determined, of eligible holdings is at least equal to your Asset Level Goal. All reinvested dividends and distributions on shares acquired under this Letter will be credited toward your Asset Level Goal.

You may include any Eligible Fund Purchases toward the Letter, including shares of classes other than Class A shares.

However, this Letter of Intent will not entitle you to a reduction in the sales charge payable on any shares other than Class A shares, and if the shares are subject to a deferred sales charge, you will still be subject to that deferred sales charge with respect to those shares. Please note that shares redeemed or sold prior to reaching your Asset Level Goal will not be counted toward meeting your Goal.

IMPORTANT: IT IS NECESSARY TO MAKE REFERENCE TO THIS LETTER OF INTENT EACH TIME YOU PURCHASE SHARES OF A LEGG MASON FUND. PLEASE KEEP A COPY OF THE COMPLETED APPLICATION FOR YOUR RECORDS.

b. Eligible Fund Purchases. Generally, any shares of a Legg Mason Fund may be credited toward your Asset Level Goal. Shares of certain money market funds advised by the fund's manager or its affiliates (except for money market fund shares acquired by exchange from other Legg Mason Funds) are not eligible. This list may change from time to time. Please check with your Financial Advisor or a current prospectus to see which funds may be eligible. The "Letter of Intent" section in the prospectus of the relevant Legg Mason Fund contains additional details.

c. Eligible Accounts. Purchases may be made through any account in your name, or in the name of your spouse or your children under the age of 21. If any of the assets to be credited toward your goal are held in an account other than in your name, you may be required to provide documentation with respect to these accounts. Accounts held with a financial advisor are generally eligible, but you will be required to provide certain documentation, such as account statements, in order to include these assets.

d. Eligible Prior Purchases. You may also credit toward your Asset Level Goal any Eligible Fund Purchases made in Eligible Accounts at any time prior to entering into this Letter that have not been sold or redeemed, based on the current price of those shares as of the date of calculation. Because the fund may not have access to information concerning all of the accounts

in which your Eligible Prior Purchases may be held, to ensure that you receive credit towards your Asset Level Goal you must inform the fund or your Financial Advisor at the time you enter into this Letter about any other Eligible Prior Purchases that should be credited by completing the applicable section in the Application.

- e. Increasing the Amount of the Letter. You may at any time increase your Asset Level Goal by contacting the transfer agent of the funds or your financial advisor. Upon such an increase, you will be credited by way of additional shares at the then current offering price for the difference between (a) the aggregate sales charges actually paid for shares already purchased under this Letter and (b) the aggregate applicable sales charges for the increased Asset Level Goal. However, you must contact the transfer agent or your financial advisor before purchasing shares in excess of the amount indicated on the Application, as no retroactive adjustments can be made. The 13-month period during which the Asset Level Goal must be achieved will remain unchanged.
- f. Sales and Exchanges. Shares acquired pursuant to this Letter, other than Escrowed Shares as defined below, may be redeemed or exchanged at any time, although any shares that are redeemed prior to meeting your Asset Level Goal will no longer count toward meeting your Goal. Complete liquidation prior to meeting your Asset Level Goal of purchases made under this Letter, however, will result in the cancellation of this Letter. See "Failure to Meet Asset Level Goal" below. Exchanges in accordance with a fund's prospectus are permitted, and shares so exchanged will continue to count toward your Asset Level Goal, as long as the exchange results in an Eligible Fund Purchase.
- g. Cancellation of Letter. You may cancel this Letter by notifying the transfer agent or your financial advisor in writing, or the Letter will be automatically cancelled if all shares are sold or redeemed as set forth above. See "Failure to Meet Asset Level Goal" below.
- h. Escrowed Shares. Shares equal in value to five percent (5%) of your Asset Level Goal, as of the date this Letter is accepted (or the date any increasing the amount of the Letter is accepted), will be held in escrow during the term of this Letter (the "Escrowed Shares"). You hereby acknowledge and understand that you have authorized the Escrowed Shares to be held in this manner by completing this portion of the Application and signing below.
The Escrowed Shares will be included in the total shares owned as reflected in your account statement and any dividends and capital gains distributions applicable to the Escrowed Shares will be credited to your account and counted toward your Asset Level Goal or paid in cash upon request. The Escrowed Shares will be released from escrow if all the terms of this Letter are met.
- i. Failure to Meet Asset Level Goal. If the total assets under this Letter within its 13-month term are less than your Asset Level Goal or you elect to liquidate all of your holdings or cancel this Letter before reaching your Asset Level Goal, you will be liable for the difference between (a) the sales charge actually paid and (b) the sales charge that would have applied if you had not entered into this Letter. You may, however, be entitled to any breakpoints that would have been available to you under the accumulation privilege. An appropriate number of shares in your account will be redeemed to realize the amount due. For these purposes, by completing this portion of the Application and signing it, you irrevocably constitute and appoint the transfer agent of the Legg Mason Funds, or any successor as your attorney-in-fact for the purposes of holding the Escrow Shares and surrendering shares in your account for redemption. If there are insufficient assets in your account, you will be liable for the difference. Any Escrowed Shares remaining after such redemption will be released to your account.

IMPORTANT: EACH PURCHASE OF SHARES MADE PURSUANT TO THIS LETTER IS SUBJECT TO THE TERMS AND CONDITIONS CONTAINED IN THE PROSPECTUS OF THE RELEVANT FUND IN EFFECT AT THE TIME OF THE SPECIFIC PURCHASE.

14 CONSENT TO ARBITRATE

This agreement contains a predispute arbitration clause. By signing an arbitration agreement, you and Legg Mason ("the parties") agree as follows:

- All parties to this arbitration agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which the claim is filed.
- Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
- The ability of the parties to obtain documents, witness statements and other discovery is generally more limited in arbitration than in court proceedings.
- The arbitrators do not have to explain the reason(s) for their award.
- The panel of arbitrators typically will include a minority of arbitrators who were or are affiliated with the securities industry.
- The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
- The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this agreement.

Client agrees that all controversies that may arise between the Client and Legg Mason concerning any transaction or the construction, performance, or breach of this agreement, or any other agreement between the Client and Legg Mason, pertaining to securities and other property, whether entered into prior, on, or subsequent to the date hereof, shall be determined by arbitration.

Any arbitration under this agreement shall be conducted exclusively through the arbitration facilities provided by the Financial Industry Regulatory Authority or the Municipal Securities Rulemaking Board, in accordance with the rules of the selected organization then in effect.

The award of the arbitrators, or of the majority of them, shall be final, and judgment upon award rendered may be entered in any court – state or federal – having jurisdiction.

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any predispute arbitration agreement against any person who has initiated in court a putative class action, or who is a member of a putative class action who has not opted out of the class with respect to any claims encompassed by the putative class action, until: (i) the class certification is denied; or (ii) the class is decertified; or (iii) the Client is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this agreement except to the extent stated herein.

15 BUSINESS CONTINUITY PLAN

Legg Mason maintains a Business Continuity Plan (“BCP”) that provides a course of action for the assessment of a significant disruption to Legg Mason business and for the continuation of Legg Mason business following such an event. The BCP consists of firmwide and departmental disaster recovery plans and includes the formation of a Legg Mason Incident Management Team (“IMT”).

The IMT would serve as the central source of coordination and communication in the event of a significant disruption to our business. During such an event, the IMT would first ensure the health and safety of our employees, and would then oversee the re-establishment and continuation of business processes pursuant to the BCP. The IMT is responsible for evaluating the disruption, instituting the appropriate plan of action, and coordinating recovery efforts.

The BCP is designed to address significant business disruptions of varying scope, including, but not limited to:

- Legg Mason-only business disruption;
- disruption to a single building in which Legg Mason business is conducted;
- disruption to a business district in which Legg Mason business is conducted;
- citywide business disruption;
- regional disruption; and
- national disruption.

In each of these scenarios, Legg Mason’s BCP provides for an evaluation of the scope of the business disruption, and sets forth various plans of action and recovery facilities for the continuation of Legg Mason’s business, as well as alternative means for the dissemination of information to employees and clients. The BCP serves as a guide that addresses how Legg Mason will continue to conduct business during each of the above scenarios, to the extent that is possible pursuant to the IMT’s evaluation. It is Legg Mason’s intention to minimize the recovery time necessary to resume operations.

Legg Mason conducts regular testing of the recovery of its backup facilities and systems in order to ensure that clients will be able to access their funds and securities within a reasonable time period following the significant business disruption. Clients should be assured that they will have prompt access to their cash and fund shares through Legg Mason’s backup systems. The BCP is subject to modification based on changing circumstances and assessment of need.

16 ACCOUNT PROTECTION/ACCOUNT ACCESS

Account Owners should take the following steps to maintain the security of their accounts:

- Account Owners should make checks payable to “Legg Mason Funds” when depositing funds into their fund accounts. Checks should not be made payable to other parties or an individual.
- Account Owners should review their account statement(s) regularly to verify deposits, withdrawals and transactions in their account(s).
- Account Owners should review trade confirmations on a timely basis to verify accuracy of transactions in their account(s).
- Regarding the Account Access system, Account Owners agree to never share their User IDs, passwords, or PINs (collectively, “Access Codes”) with anyone and should change their passwords regularly to ensure security. Account Owner accepts responsibility for all requests entered through and under such Access Codes, and understands and agrees that any instructions communicated to Legg Mason through the system will be considered sent by the Account Owner. Account Owner hereby ratifies any instructions communicated via the System for their account, and agrees that Legg Mason will not be liable for any cost, loss or expense for acting upon any such instructions.
- Any discrepancies discovered by an Account Owner should immediately be reported to Shareholder Services at 1-800-822-5544.

17 TAX REPORTING

The Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) requires financial institutions to report the amount of the proceeds of securities sales in an Account Owner's account to the Internal Revenue Service (IRS). Accordingly, at the end of each year, Legg Mason will provide Account Owners and the IRS with information detailing reportable transactions.
