2016 Distribution Reclassifications

The list below provides a summary of the 2016 distributions paid by the Legg Mason taxable funds whose distribution character differed from what was originally indicated on shareholder statements. This data is being provided for shareholders who do not receive a Form 1099-DIV. Shareholders who receive Form 1099-DIV should use the amounts on Form 1099-DIV when preparing their tax return.

The reclassifications below may include distributions that were reclassified as a "return of capital". Shareholders who received these distributions should not include these amounts in taxable income, but instead should treat them as a reduction of the cost basis of the applicable shares upon which these distributions were paid. A return of capital is reported in Box 3 "Nondividend Distributions" of Form 1099-DIV. Additionally, for each fund which paid a return of capital, more detailed information may be found under the heading "Information Regarding Organizational Actions Affecting Basis of Securities" in the Tax Center.

The Foreign Tax Paid is being provided for shareholders who do not receive a Form 1099-DIV who are electing to claim the Foreign Tax Credit. Please note that shareholders claiming a foreign tax credit on income passed through from a mutual fund are no longer required to report foreign source income and foreign taxes paid on a country-by-country basis. Shareholders should refer to the 2016 Legg Mason Tax Guide which may be found in the Tax Center of the Legg Mason website for the Percentage of Income from Foreign Sources. Please consult your tax advisor for further assistance.

The Closed-End Funds are not sold or distributed by Legg Mason Investor Services, LLC ("LMIS") or any affiliate of Legg Mason, Inc. Shares of the funds are bought and sold through non-affiliated broker/dealers and trade on nationally recognized stock exchanges.

The tax information contained herein is provided for informational purposes only and should not be construed as legal or tax advice.

Legg Mason, Inc., its affiliates, and its employees are not in the business of providing tax or legal advice to taxpayers. These materials and any tax-related statements are not intended or written to be used, and cannot be used or relied upon, by any such taxpayer for the purpose of avoiding tax penalties or complying with any applicable tax laws or regulations. Tax-related statements, if any, may have been written in connection with the "promotion or marketing" of the transaction(s) or matter(s) addressed by these materials, to the extent allowed by applicable law. 2016 Distribution Reclassifications

The list below provides a summary of the 2016 distributions paid by the Legg Mason taxable funds whose distribution character differed from what was originally indicated on shareholder statements. This data is being provided for shareholders who do not receive a Form 1099-DIV. Shareholders who receive Form 1099-DIV should use the amounts on Form 1099-DIV when preparing their tax return.

The reclassifications below may include distributions that were reclassified as a "return of capital". Shareholders who received these distributions should not include these amounts in taxable income, but instead should treat them as a reduction of the cost basis of the applicable shares upon which these distributions were paid. A return of capital is reported in Box 3 "Nondividend Distributions" of Form 1099-DIV. Additionally, for each fund which paid a return of capital, more detailed information may be found under the heading "Information Regarding Organizational Actions Affecting Basis of Securities" in the Tax Center.

The Foreign Tax Paid is being provided for shareholders who do not receive a Form 1099-DIV who are electing to claim the Foreign Tax Credit. Please note that shareholders claiming a foreign tax credit on income passed through from a mutual fund are no longer required to report foreign source income and foreign taxes paid on a country-by-country basis. Shareholders should refer to the 2016 Legg Mason Tax Guide which may be found in the Tax Center of the Legg Mason website for the Percentage of Income from Foreign Sources. Please consult your tax advisor for further assistance.

The Closed-End Funds are not sold or distributed by Legg Mason Investor Services, LLC ("LMIS") or any affiliate of Legg Mason, Inc. Shares of the funds are bought and sold through non-affiliated broker/dealers and trade on nationally recognized stock exchanges.

The tax information contained herein is provided for informational purposes only and should not be construed as legal or tax advice.

2016 Distribution Reclassifications

The list below provides a summary of the 2016 distributions paid by the Legg Mason taxable funds whose distribution character differed from what was originally indicated on shareholder statements. This data is being provided for shareholders who do not receive a Form 1099-DIV. Shareholders who receive Form 1099-DIV should use the amounts on Form 1099-DIV when preparing their tax return.

The reclassifications below may include distributions that were reclassified as a "return of capital". Shareholders who received these distributions should not include these amounts in taxable income, but instead should treat them as a reduction of the cost basis of the applicable shares upon which these distributions were paid. A return of capital is reported in Box 3 "Nondividend Distributions" of Form 1099-DIV. Additionally, for each fund which paid a return of capital, more detailed information may be found under the heading "Information Regarding Organizational Actions Affecting Basis of Securities" in the Tax Center.

The Foreign Tax Paid is being provided for shareholders who do not receive a Form 1099-DIV who are electing to claim the Foreign Tax Credit. Please note that shareholders claiming a foreign tax credit on income passed through from a mutual fund are no longer required to report foreign source income and foreign taxes paid on a country-by-country basis. Shareholders should refer to the 2016 Legg Mason Tax Guide which may be found in the Tax Center of the Legg Mason website for the Percentage of Income from Foreign Sources. Please consult your tax advisor for further assistance.

The Closed-End Funds are not sold or distributed by Legg Mason Investor Services, LLC ("LMIS") or any affiliate of Legg Mason, Inc. Shares of the funds are bought and sold through non-affiliated broker/dealers and trade on nationally recognized stock exchanges.

Legg Mason, Inc., its affiliates, and its employees are not in the business of providing tax or legal advice to taxpayers.
