2018 Distribution Reclassifications

The list below provides a summary of the 2018 distributions paid by the Legg Mason taxable funds whose distribution character differed from what was originally indicated on shareholder statements. This data is being provided for shareholders who do not receive a Form 1099-DIV. Shareholders who receive Form 1099-DIV should use the amounts on Form 1099-DIV when preparing their tax return.

The reclassifications below may include distributions that were reclassified as a "return of capital". Shareholders who received these distributions should not include these amounts in taxable income, but instead should treat them as a reduction of the cost basis of the applicable shares upon which these distributions were paid. A return of capital is reported in Box 3 "Nondividend Distributions" of Form 1099-DIV. Additionally, for each fund which paid a return of capital, more detailed information may be found under the heading "Information Regarding Organizational Actions Affecting Basis of Securities" in the Tax Center.

The Foreign Tax Paid is being provided for shareholders who do not receive a Form 1099-DIV who are electing to claim the Foreign Tax Credit. Please note that shareholders claiming a foreign tax credit on income passed through from a mutual fund are no longer required to report foreign source income and foreign taxes paid on a country-by-country basis. Shareholders should refer to the 2018 Legg Mason Tax Guide which may be found in the Tax Center of the Legg Mason website for the Percentage of Income from Foreign Sources. Please consult your tax advisor for further assistance.

The Closed-End Funds are not sold or distributed by Legg Mason Investor Services, LLC ("LMIS") or any affiliate of Legg Mason, Inc. Shares of the funds are bought and sold through non-affiliated broker/dealers and trade on nationally recognized stock exchanges.

2018 Distribution Reclassifications

The list below provides a summary of the 2018 distributions paid by the Legg Mason taxable funds whose distribution character differed from what was originally indicated on shareholder statements. This data is being provided for shareholders who do not receive a Form 1099-DIV. Shareholders who receive Form 1099-DIV should use the amounts on Form 1099-DIV when preparing their tax return.

The reclassifications below may include distributions that were reclassified as a "return of capital". Shareholders who received these distributions should not include these amounts in taxable income, but instead should treat them as a reduction of the cost basis of the applicable shares upon which these distributions were paid. A return of capital is reported in Box 3 "Nondividend Distributions" of Form 1099-DIV. Additionally, for each fund which paid a return of capital, more detailed information may be found under the heading "Information Regarding Organizational Actions Affecting Basis of Securities" in the Tax Center.

The Foreign Tax Paid is being provided for shareholders who do not receive a Form 1099-DIV who are electing to claim the Foreign Tax Credit. Please note that shareholders claiming a foreign tax credit on income passed through from a mutual fund are no longer required to report foreign source income and foreign taxes paid on a country-by-country basis. Shareholders should refer to the 2018 Legg Mason Tax Guide which may be found in the Tax Center of the Legg Mason website for the Percentage of Income from Foreign Sources. Please consult your tax advisor for further assistance.

The Closed-End Funds are not sold or distributed by Legg Mason Investor Services, LLC ("LMIS") or any affiliate of Legg Mason, Inc. Shares of the funds are bought and sold through non-affiliated broker/dealers and trade on nationally recognized stock exchanges.

2018 Distribution Reclassifications

The list below provides a summary of the 2018 distributions paid by the Legg Mason taxable funds whose distribution character differed from what was originally indicated on shareholder statements. This data is being provided for shareholders who do not receive a Form 1099-DIV. Shareholders who receive Form 1099-DIV should use the amounts on Form 1099-DIV when preparing their tax return.

The reclassifications below may include distributions that were reclassified as a "return of capital". Shareholders who received these distributions should not include these amounts in taxable income, but instead should treat them as a reduction of the cost basis of the applicable shares upon which these distributions were paid. A return of capital is reported in Box 3 "Nondividend Distributions" of Form 1099-DIV. Additionally, for each fund which paid a return of capital, more detailed information may be found under the heading "Information Regarding Organizational Actions Affecting Basis of Securities" in the Tax Center.

The Foreign Tax Paid is being provided for shareholders who do not receive a Form 1099-DIV who are electing to claim the Foreign Tax Credit. Please note that shareholders claiming a foreign tax credit on income passed through from a mutual fund are no longer required to report foreign source income and foreign taxes paid on a country-by-country basis. Shareholders should refer to the 2018 Legg Mason Tax Guide which may be found in the Tax Center of the Legg Mason website for the Percentage of Income from Foreign Sources. Please consult your tax advisor for further assistance.

The Closed-End Funds are not sold or distributed by Legg Mason Investor Services, LLC ("LMIS") or any affiliate of Legg Mason, Inc. Shares of the funds are bought and sold through non-affiliated broker/dealers and trade on nationally recognized stock exchanges.
