- (1) To determine your share of the Fund's foreign source income, multiply the total foreign source percentage indicated by the amount shown in Box 1a of Form 1099-DIV.
- (2) To determine your share of the Fund's foreign source income, multiply the total foreign source percentage indicated by the distribution received on the indicated date. **Do not multiply this percentage by the amount shown on Box 1a of Form 1099-DIV.**
- (3) As a result of lower tax rates on qualified dividends, in computing your foreign tax credit, you may need to make certain adjustments based on your foreign source qualified dividends. To compute your amount of foreign source qualified dividends, multiply the Percentage of Income from Foreign Source Dividends by the amount shown in Box 1a of Form 1099-DIV.
